Dear STAT

I am pleased to invite you and Messrs Hineman, Kerr, and Boring to tour the Strategic Air Command's intelligence collections, analysis, and production facilities at Offutt Air Force Base, Omaha, Nebraska, on 14 and 15 February 1983.

In addition to courtesy calls with General Davis and Lieutenant General Miller, your tour will include visits to the 544th Strategic Intelligence Wing's Target Materials, Intelligence Exploitation and Intelligence Analysis Squadrons; Air Force Global Weather Central; and SAC's Command Post and flight line. Seeing these things, I believe, will clearly demonstrate the importance of accurate, timely intelligence in maintaining the Command's capability to accomplish its unique mission. I welcome the opportunity, not only to show you our capabilities and requirements, but also to discuss how continued close cooperation between our two organizations contributes to the national strategic posture.

Looking forward to your visit.

Sincerely

Wm L. Doyle Jr.
